Mr. Michael Ford founder, Chairman and CEO of Weybridge Assets, Inc. welcomes Mr. James Tyler MBA to the Board of Directors.

January 9, 2013/Singapore – Mr. Michael Ford – Chairman and CEO of Weybridge Assets, Inc. welcomes Mr. James Tyler MBA to the Board of Directors as Director of Operations (DOP).

“We are extremely pleased to have Mr. Tyler on board,” said Mr. Michael Ford, he continued “Mr. Tyler is a valuable asset to our company. He is a skilful, honest and a brilliant financial adviser with many years experience in investing in money, securities and several other financial products on behalf of private, corporate and institutional clients.”

Mr. Tyler has a dynamic influence within Weybridge Assets operations since joining the group management team in 2012. He is presently overseeing the strategy and deployment initiatives for the active traders segment of Weybridge Assets.

His specialties include volume share markets, undervalued commodities, mergers, takeovers and acquisitions.

He graduated from Princeton University with an MBA in business and fund management, and has worked in the investment industry since 1987 as a Chicago Board Options Exchange (CBOE) independent floor trader. As such he worked diligently with his close friend and mentor Ms. Jenice L. Malecki founder Malecki Law: Securities Law Firm in New York.

From 1995 to 2000 Mr. Tyler worked in an advisory capacity with Paine Webber and Company in New York until their merger with UBS AG in 2000.

Since 2000 Mr. Tyler has acquired international financial and brokerage expertise lately working in the Asia Pacific since 2010 in conjunction with the Standard Chartered Investment Bank in Singapore.

About Weybridge Assets:

Founded in 2004, Weybridge Assets Inc. is a unique financial services provider embracing responsible finance by offering financial services to its clients in an accountable, transparent and ethical manner, specializing in portfolio management, purchase and sale of financial instruments and corporate finance advice.
